

**International Wireless Communications and Mobile
Computing Conference ([IWCMC 2010](#))**

Sponsored by IEEE/ACM

Caen, France

Date June 28- July 2, 2010

General Symposium Scope:

<http://info.ee.surrey.ac.uk/CCSR/IWCMC2010/>

The General Symposium covers topics that are not covered under the individual symposia. Prospective authors are invited to submit original contributions on timely as well as emerging topics that pertain to wireless networks, communications, and mobile computing. Papers related to topics under each individual symposium of the IWCMC 2010 should be submitted to the corresponding symposium. Links to individual symposia are available in the conference main website (<http://iwcmc.com/>).

Prospective authors are invited to submit their original technical papers (electronically through [EDAS.info](#)) to General Symposium of IWCMC 2010 for possible publication in the IWCMC 2010 Conference Proceedings, which will be included in ACM/IEEE Digital Library (pending approval). Selected papers will be further considered for possible publication in two special issues of the Wiley Journal of "Wireless Communications and Mobile Computing (WCMC)," and "International Journal of Autonomous and Adaptive Communications Systems (IJAACS). There will also be best paper and best symposium awards.
